**One call is all it takes to access any of our Adolescent Substance Abuse Treatment Programs. To schedule a screening assessment, call 800-432-5005. Calls are taken by trained counselors 24 hours a day, 7 days a week.**

# SUBSTANCE ABUSE DESTROYS FAMILIES...

Kids are starting to experiment with alcohol and drugs at earlier and earlier ages. Experimentation can lead to more serious problems. Teens find themselves lying, stealing, changing friends, failing in school, failing at home... failing at life.

## We can help.

Alexian Brothers Behavioral Health Hospital provides effective intervention to treat alcohol and drug abuse problems. We offer the benefit of great advancements made in the medical and behavioral sciences.
